

Welcome to Columbus Bilingual Central!

2026–2027 School Year

Dear CBC Families and Students,

Welcome to a brand-new school year at Columbus Bilingual Central! It is with great excitement and gratitude that I welcome both our returning families and those joining our school community for the very first time. The beginning of a new school year is always a time of fresh starts, new friendships, exciting opportunities, and endless possibilities for learning and growth. Every new school year gives us the chance to set new goals, embrace new challenges, and celebrate new achievements together. We are honored that you have chosen Columbus Bilingual Central to be part of your child's educational journey, and we look forward to partnering with you throughout the year.

This school year is especially exciting because it marks **our second year** as a school community. During our first year, we built a strong foundation by creating meaningful relationships with our families, establishing high academic expectations, and developing a welcoming learning environment where every student could thrive. Together, we celebrated important milestones, overcame challenges, and experienced tremendous growth as a school family. We are proud of everything our students, families, and staff accomplished during our inaugural year, but we know there is still so much more to achieve. As we begin our second year, we are committed to building that success while continuing to improve every aspect of the educational experience we provide.

At Columbus Bilingual Central, we believe every child has unique talents, strengths, and unlimited potential. Our dedicated teachers and staff work every day to create classrooms where students feel safe, respected, encouraged, and excited to learn. Through our bilingual program, students develop strong academic skills in both English and Spanish while learning to appreciate different cultures, perspectives, and experiences. We challenge our students to think critically, solve problems, collaborate with others, and become confident learners who are prepared for college, careers, and life. Our goal is not only to help students achieve academic success but also to help them become compassionate leaders who make a positive impact in their communities.

We know that education is most successful when schools and families work together as partners. Your support, encouragement, and involvement play an essential role in helping your child succeed both inside and outside the classroom. We invite you to stay connected by communicating with your child's teachers, attending school events, volunteering when possible, and celebrating your child's accomplishments throughout the year. Together, we can create a strong school community where every student feels valued, supported, and inspired to do their very best. Thank you for trusting us with your child's education and for being such an important part of the Columbus Bilingual Central family.

As we begin the 2026 to 2027 school year, we are filled with excitement for everything that lies ahead. We look forward to creating new memories, celebrating student achievements, strengthening our partnerships with families, and continuing to grow together as a school community. We encourage every Puma to come to school each day with curiosity, determination, kindness, and a willingness to learn something new. This year will bring new opportunities, new friendships, and new successes that we will celebrate together. On behalf of our entire faculty and staff, welcome back to Columbus Bilingual Central. We cannot wait to make our second year our best year yet.

Warm regards,

A handwritten signature in black ink, appearing to read 'm. santana', with a stylized flourish at the end.
